# CLASS DESCRIPTIONS

## Dance With Me

Adult accompanied participation class for 2 to 3 year olds. Music and storytelling are used to develop body awareness, discover creative expression, and explore the basic principles of movement using props and musical instruments. Adult participant may be a parent, grandparent, nanny or sitter and should wear clothing that allows comfortable movement.

## Little Dancer

For young dancers 3 to 4 years old, the Little Dancer class is designed as a program to address a child's developmental needs and create a fun dance experience.

Each session starts with activities such as bending, stretching and moving and progresses to locomotor movements including marching, galloping and jumping. Children also focus on learning to follow directions and dance as part of a group. Individual expression is encouraged as each child learns to use his/her body.

## Creative Movement

MYB's Creative Movement classes are designed specifically for the early development of physical motion, rhythm, and coordination of 4 and 5 year olds. Children are guided through exercises and begin to develop a sense of poise and confidence. At the same time, they are encouraged to explore their own creative expression of music and dance movement.

The use of props such as scarves, fans, and balls, makes this a fun and playful experience while introducing the children to the social skills of group dynamics, self-control, and listening.

## Photography and Videotaping Policy

MYB does not permit taking photos or videotaping thru the doorways during class time. Early Dance Division classes have the opportunity to take photos during their class Visitation Day at the end of each session.
