

DONOR BENEFITS

Thank you for joining us for our 2014 Gala Fundraiser. Although MYB has continued to grow and prosper each year, we must still depend on support from local government, private foundations, corporations, and especially individual donors, such as you, to close the gap between our annual operating costs and our tuition and performance income.

This year we “re-choreographed” our evening and instead of an auction, we are introducing our *MYB Supporter Benefits!* Please select from the suggested donation amounts below for special benefits at each level.
