

# Ballet I, II & III Performance Day Information

Hello Introductory Division Parents!

We are getting close to the end of the year Performance Day and all the children are very excited. In order to make sure all the performances run smoothly we need everyone to take note of the following details:

- On Performance Day students must arrive **ON TIME** or participation will not be possible. Arrival times are listed on page two and are the same as class times, but there will only be 15 minutes to get all the students into costume and the audience seated.
- All Students **MUST** come with performance hair (no hair decorations, including beads, or bun cover-ups) and **no make-up, earrings, nail polish or tattoos**. The week before the visitation day we will have all students come with performance hair as practice. Please see the attached print out of “how to do a bun”. All students with short hair or braids, please have your child’s hair pulled back neatly.
- All students **MUST COME UNDERDRESSED WITH NO LEOTARD** in **CLEAN** pink tights (**Capezio, WITH FEET and no underwear please**) and bring their pink leather ballet slippers. For boys please wear black leggings, white socks with white or black leather ballet shoes. We will provide a MYB t-shirt.
- The number of guests to watch the performance is limited to 3 per student.
- An opportunity to photograph your child will be offered at the end of the performance. Please **no photographs during the performance** (cell phone photos included)
- Each class performance will be videotaped. If you wish to purchase a DVD, please fill out the attached form and turn it into the office.
- All children **MUST** change out of the costume and into street clothes before leaving the building.

Thank you for your consideration with all these items.
