

Ballet I, II & III Visitation Day Information

Hello Introductory Division Parents!

We are getting close to the end of the year Visitation Day and all the children are very excited. In order to make sure all the performances run smoothly we need everyone to take note of the following details:

- **On Visitation Day students must arrive ON TIME or participation will not be possible.** Arrival times are listed on page two and are the same as class times, but there will only be 15 minutes to get all the students into costume and the audience seated.
- **All Students MUST come with performance hair (no hair decorations, including beads, or bun cover-ups) and no make-up, earrings, nail polish or tattoos.** The week before, we will ask all students to come to class with performance hair as practice. Please see the attached print out of “*How to Do a Ballet Bun*”. All students with short hair or braids please have your child’s hair pulled back neatly.
- **All Girls should come wearing only their clean pink tights (Capezio, WITH FEET.) *NO* underpants. Wear a dress, pants, or other outfit over your tights. Do NOT wear your leotard.** We will provide one. Bring your ballet shoes!
- **All Boys should wear black leggings, white socks with white or black ballet shoes.** We will provide a MYB t-shirt.
- **Guests (includes family & friends) are limited to 3 per student.**
- An opportunity to photograph your child will be offered at the end of the performance. **NO photographs or videos will be allowed during the performance (cell phones included).**
- Each class performance will be videotaped. If you wish to purchase a DVD, please fill out the attached form and turn it into the office, or purchase your video from the Online Store.
- **All children MUST change out of their costume and into street clothes before leaving the building.**

Thank you for your consideration with all these items.

April 2016
